

LAB KIT ASSUMPTION OF RISK WAIVER, ELECENG 3EY4

Assumption of Risk:

I acknowledge that I have received an electronics Lab Kit from McMaster University to be used within my premises so that I may participate in the ELECENG 3EY4 online laboratory activities (the "Activities"). This Lab Kit consists of an open source autonomous vehicle and supporting hardware. The Lab Kit was provided free of charge. Further, by participating in the Activities, I am also aware I will be exposed to many inherent risks and dangers ("Risks") that may result in, among other things, mild or severe illness, physical injury, partial or total disability, death and/or property loss or damage. These Risks include, but are not limited to, risks and dangers arising from:

1. **EQUIPMENT, MACHINERY OR OTHER DEVICES** including, without limitation, any equipment deployed in respect of my Activities, and any manner of injury or loss of any nature whatsoever arising therefrom including, without limitation, loss or injury arising from the use, misuse, malfunction or breakdown of any equipment that may be deployed in the Lab Kits.

I understand the foregoing and freely accept and fully assume all Risks and acknowledge the possibility of, and agree to be solely responsible for, personal injury, death, disability (to myself or others), property damage or loss resulting from the Risks except where such arises as a result of the gross negligence or willful misconduct of McMaster University.

Acknowledgement:

1. I understand that the ELECENG 3EY4 Lab Kit that I have received is provided for the sole purpose of participating in the Activities.
2. I have reviewed all the applicable policies and procedures with respect to participating in Activities in McMaster University's laboratories including, but not limited to, the following:
 - a. Risk Management Manual Policy #1000 "*Reporting & Investigating Injury/Incident/Occupational Disease Program*" (September 2008), as may be amended from time to time.
3. By signing this form, I acknowledge that I have completed WHMIS 1A00 **prior to** opening the ELECENG 3EY4 Lab Kit and prior to the start of any Activities.
4. I understand that the Activities will be conducted in an online/virtual environment and any documents uploaded/online activities participated in may be recorded, disclosed and stored, for purposes set out in McMaster's use of personal property policy, to secure servers located outside Canada, which may be subjected to the laws of foreign jurisdictions.
5. I am responsible for the condition of any computer or other electronic devices/equipment appropriate or needed to participate in the Activities.
6. I will follow and abide by any and all risk assessments, health and safety regulations and instructions, including the above-noted if applicable, received prior to taking part in the Activities.
7. At the end of the Activities, I will return the ELECENG 3EY4 Lab Kit to a McMaster University technician or become solely responsible thereafter for any and all related Risks indicated above.
8. In entering into this Agreement, I am not relying upon any oral or written representations or statements made by McMaster University other than set forth in this Agreement.

I am 18 years of age or older and I am competent to contract in my own name. I have read this document before signing below, and I fully understand the contents, meaning and impact of this Assumption of Risk and Acknowledgement. This Agreement is binding on me, my heirs, executors, administrators and assigns.
